

Online Marketing Course

12 months + 2 months internship courses finish every 2nd month

English (min. B1)
German (min. B1)

Berlin. Düsseldorf. Hamburg. Leipzig. Frankfurt. Munich. Online.

Aim of the course

Our Online Marketing course is aimed at people from diverse backgrounds who pursue a career in the digital industry. It aims to provide a broad overview of the different areas of online marketing with a strong focus on Social Media Marketing and SEO. The course is designed to meet the needs of career changers and qualifies people to start their careers in digital marketing on a permanent or freelance basis.

General requirements

No Marketing knowledge required, good analytical thinking skills, at least a intermediate secondary school diploma, high school diploma or general university entrance qualification, successful completion of an orientation measure or assessment in the IT field.

Curriculum

Our curriculum is split into 6 different modules. Each module is taught by a different teacher whose expertise is that particular subject. While studying, students work on real-world projects in groups. At the end of each module, the groups pitch their ideas to a partner company. Building their teamwork, presentation and time management skills.

Understanding Online Marketing

Introduction module. Learning and understanding the principles and general conditions of Marketing to understand customers, build a brand and foster the success of a company on the market. Learn about the positive impact of digital marketing on business growth.

Campaign Management

Learning how to plan organic and paid marketing campaigns. This includes monitoring and optimizing campaigns and measuring their success against SMART goals for B2B and B2C business models.

Website Maintenance and Optimization

Learning how to ensure that a website and its landing pages are optimized well enough for their marketing campaign, regardless of its goal (awareness, consideration, conversions). Learning tool-independent visual design theories and principles to create marketing materials (banners, social media artwork, etc.) that are consistent with a brand's image.
